4 CANDIDATES IN FIELD  
TO SUCCEED BRADLEY

W. T. Branham, Head of Piedmont League, Has Had Much Experience.

**BALLOTING TO BE CLOSE**

Virginia Organization Also Seeks New City to Take Franchise. Newport News Is Doubtful Honoree Club Is a Prospect.

Club owners of the Virginia League will meet tonight at Murphy's Hotel for the purpose of electing a president and selecting the six cities to be represented in the league this year.

W. B. Bradley, who has been president of the league for several years, resigned two days ago, and since that time his position has been sought after by four candidates: F. D. Lawrence, of Portsmouth; W. T. Branham, president of the Piedmont League; W. S. Moore, of Rocky Mount; and W. S. Moore, of Rocky Mount.

The fact that the election has not been completed at this date is an indication that this matter will be one of the most important to be discussed tonight.

Portsmouth, Wilson and Rocky Mount are said to be ready to start play. Newport News, the possible sixth club, is at present undecided. Newport News is mentioned as a possibility.

In announcing that he would not be a candidate for re-election, Mr. Bradley stated that he holds the position of secretary and business manager of the Richmond baseball club, and that the two positions cannot be handled by a single individual.

Mr. Bradley has piloted the Virginia League through more than one storm and kept the league together when it appeared certain that it would go under.

With four candidates for the position of president and only five cities represented, the balloting promises to be close. Wilcox and Lawrence are the Tidewater candidates, but it is probable that the Norfolk and Portsmouth representatives will unite in support of one of the candidates.

Branham, the present president of the Piedmont League, has proved his ability as a leader also, and should make the Virginia League an excellent president.

Mr. Bradley has weathered several stormy seasons, and Branham has kept it together in much the same tactics as those employed by Bradley.

The Techs are expected to win the 165-pound class, with Pritchard, James, Ery and Newton will give Flory plenty of work to keep in condition. In the next two classes, there is an experienced man in Graham, Owens, Richardson and De La Barre in the welterweights, and Givens, in the lightweights, and Sheretz in the heavyweights.

Richmond University Quint Will Invade Williamsburg Tonight.

**RIG CROWD IS EXPECTED**

Comparative Scores Indicate Close Contest With Locals—Coach Driver Has Not Selected His Team to Represent Varsity.

[Special to The Times-Dispatch.] WILLIAMSBURG, Va., Feb. 3.—Interest in the Richmond University-Williams and Mary basketball game, which will be staged here tomorrow night, is intense. Athletic rallies have been held by the students, and it is probable that the biggest crowd of the year will be on hand to see the Indians battle the Spiders in the biggest game of the year. The highest scores indicate a close contest, with slight superiority for the Spiders.

Although the two quints have changed their personnel but little since the game in which the Indians were twice victors, the visitors have apparently been strengthened and improved a great deal.

Aside from the usual interest and rivalry that attaches to an Indian-Spider contest, is the fact that the Indians will attempt to avenge in the two-game series their loss of the annual football classic. Last year the Indians matters with Richmond, losing the classic game, but making a clean sweep in basketball and on the diamond. This year, they hope to repeat.

Coach Driver is faced with a dilemma in the selection of his five to start the game. Some of the men have improved so rapidly that they threaten the berths of members of the varsity. Harwood may be replaced by Todd, at center; Hicks by Peters at left guard, and Pierce by Levy at left forward.

It is believed here that the local mentor will begin tomorrow night's battle as follows: Captain Cooke, Harwood, or Todd, center; Hicks, left guard, and Todd, right guard.
